FAQ

1. What do I need to pack before traveling?

There are things that are essential for every trip, regardless of the kind of trip. These items are called travel essentials and they range from documents to toiletries, and gadgets. These are the things you need to pack before traveling.

You can't have a successful trip without these things. Then there are [fun things for vacation](#) that you should pack too after you have organized the important things you should pack before traveling. Check out the things you need to pack before traveling here and how to get them [here!](#)

2. What should I pack for a 7 days away trip?

To pack for a 7 days away trip, you need to first make sure you have packed your [travel essentials](#) which are important for all trips. Check out these [best quality travel bags](#) to carry all the items on your travel packing list.

Now after you have packed for your trip, pack some extra clothes, one each of what you had already packed. 7 days is long but it isn't too long to pack so many things, whether you are packing for a [trip abroad](#), [with kids](#) or [your cat](#), keep it moderate but organized.

3. What should you not forget when packing for a trip?

There are items on your travel packing list that you should always carry for any trip, and they are called travel essentials.

Some of them include your ID, licenses, travel documents, [travel insurance](#) (for [international trips](#)), basic toiletries, important gadgets like phone, adapter and chargers, then some cash and your cards (credit/debit).

These are the things you should never forget to pack for a trip, other things you feel you need can actually be gotten at your destination, trust me.

4. What should I pack for a 12 day trip?

12 days means some extra days and more fun, so you need some more casual and fun clothes like extra dresses or bottoms and tops, sleepwears, a swimsuit, sunshades, hat and underwear.

You can pack 3 of each clothing and take with you a laundry kit to rewash and reuse. It's always best to pack multipurpose items; clothes and things that can serve more than one purpose while on a trip.

This is because while you must pack to take you for the days you hope to stay, you should never overpack or travel with so much baggage.
